

My Medicare- How to Register using the Medicare Express App

How to Register for “My Medicare” through your “Medicare Express Plus” App.

- ▶ You Must have already Linked your “MyGov” to your Medicare account
- ▶ You must have had at least 2 face to face appointments at Don Medical Clinic in the last 2 years to be eligible to register
- ▶ If you already have this App you are all ready to register. (You probably used this App to access your Medicare details OR your Covid 19 Vaccination certificate)
- ▶ Open the “Medicare Express Plus” App on your Smartphone (Android or iPhone)
- ▶ Login to the app. If you are a parent and going to register your children (under 14), register yourself first! Then register your children.
- ▶ If you are a DVA Patient- Use your Medicare card (not your DVA card) to register. If you don't have a Medicare card/Number, you will need to register in the practice with a manual form

- Add In “**Don Medical Clinic**” in the Practice name
- Add in “**Devonport**” in the town
- Add in “**7310**” in the postcode
- Click “**Search**”

< Back

Select your practice

Step 1 of 5

Search for your regular practice based on recent Medicare services you've received.

Contact your regular practice about registering with them, if they don't appear in the list.

Your regular practice is your trusted practice you have recently visited for Medicare services.

- 
- If you haven't had at least 2x face to face visits at this practice in the last 2 years, you cannot register with the practice at this time.
 - You Need to select a "Preferred GP". This does not mean you will only see this GP. You may still see any of the GPs at the Practice. This is purely admin.
 - If you are a parent and meet this criteria, register yourself, then afterwards, register your children (as they are linked to you, they will be eligible to register)
 - You will then need to confirm your details, review the information and then "Submit"
 - Once you complete registration, a notice will come to our practice at the end of each day and we then need to login from our end to accept new registrations,
 - From November 1st, 2023 – anyone registered with the practice will be then eligible for a higher Medicare rebate for longer telephone and video consultations.
 - Some Pensioners, concession card holders and children under 16 MAY BE eligible for a higher rebate if bulk billed for some attendance items. (not all are eligible and this does not mean all consultations will be bulk billed)
